

BC Children's Hospital and BC Women's Hospital + Health Centre (C+W) Wish List

At C+W our primary concern is the comfort and wellbeing of our patients and their families. You will find below a listing of age appropriate toys & gifts. We also have a few guidelines which need to be followed:

- Due to infection control and allergies, we cannot accept used toys of any kind. This includes stuffed/plush animals.
- All donations must be new and not gift wrapped. Toys need to be inspected so that they can be matched with an appropriate child.
- Please, no toys or action figures with weapons or violent themes such as guns, knives, swords or other projectiles.

Items in high demand:

- Infant rattles, washable mobiles & board books
- Teen gift items
- Teen arts and crafts kits
- Self-contained craft kits (Brands: Klutz, Melissa & Doug)
- Crayola crayons and markers
- Small Lego sets
- Gift cards for music, movies, video games, Amazon – refer to full list below
- iPads, iPad stands

Due to privacy and infection control, we cannot allow personal delivery of gifts and donations directly to patients. We make every effort to maximize the donations we receive from our donors.

Occasionally, we receive items that may not be appropriate for us in the hospital or pose potential health concerns for our patients. These toys are shared with other children's charities in the Lower Mainland.

Online donations are gratefully accepted to help stock the toy and activity needs throughout the year. Should you wish for us to do the shopping for you, you can donate online and we will fulfill specific needs: <https://www.bcchf.ca/donate/other-ways-to-give/toy-bank/>
