

Donation of Publicly Traded Securities to BC Children's Hospital Foundation

Thank you for your interest in donating securities to BC Children's Hospital Foundation. A gift of securities is a cost and tax effective opportunity to transform an asset into immediate and significant support for child health. By donating publicly traded securities (stocks, bonds, segregated funds or mutual funds), you eliminate the capital gains tax that becomes payable if you were to sell the appreciated securities on the market.

Transferring securities is very easy to do. Simply follow these directions:

1. Complete the attached form (you may need your broker's assistance) and advise your broker or investment advisor of your wish to make a gift of securities to BC Children's Hospital Foundation.
2. Your broker will deliver the form and the securities to our agent, RBC Dominion Securities Inc.

For account of: BC Children's Hospital Foundation
Account Number: 803-35339-13
Contact: Lilian Lau or Gary Armstrong
Phone: 604.257.7362
Email: lilian.lau@rbc.com

3. Upon receipt of the transferred securities (which may take up to two days – or a few weeks in the case of mutual funds) to the Foundation's brokerage account, RBC Dominion Securities Inc. will advise us in writing of the receipt of the securities and the closing bid value.
4. We will issue an official receipt to you, for income tax purposes, for the market closing price on the day they are received in our RBC Dominion Securities Inc. account. (Please note that estate gifts may have a different valuation process. Contact the Gift & Estate Planning team at BC Children's Hospital for more information.)
5. It is the Foundation's policy that securities, once received by the Foundation or its broker, may be sold or added in specie to the Foundation's investment account in accordance with the Foundation's investment policies.

Thank you again for making a difference in the lives of BC's kids. If you have any questions or concerns, please do not hesitate to call:
