

# TRANSFORMING HEALTH CARE, TOGETHER

## AT BC CHILDREN'S, YOUR SUPPORT TOUCHES EVERY ASPECT OF CARE

Whether it's supporting a family facing their child's cancer diagnosis for the first time, a community doctor requiring specialized diabetes expertise to care for local pediatric patients, or an adolescent struggling in silence with mental health challenges, our Circle of Care donors make their mark on every aspect of care at BC Children's.

Every year, our Circle of Care members support our hospital through annual donations of \$10,000 or more. These gifts make advances possible in groundbreaking research, state-of-the-art technology and equipment, recruitment and training of the brightest minds in medicine, innovative and novel therapies, and so much more.

Your support provides the best treatment and care possible for the one million children across BC and the Yukon who rely on BC Children's Hospital—the only dedicated children's hospital in the province.

"BY JOINING THE CIRCLE OF CARE, WE HAVE BECOME PART OF A COMMUNITY THAT IS TRANSFORMING THE FUTURE OF CHILDREN'S HEALTHCARE IN BC AND BEYOND."

— SEBASTIAN & ELIZABETH VAN WOLLEN,  
CIRCLE OF CARE MEMBERS

## ADVANCES THAT WOULD OTHERWISE NOT EXIST

BC Children's Hospital provides an expert level of care for children that cannot otherwise be found across the province. This is why the most seriously sick and injured children and youth in BC receive care here.

By joining BC Children's Hospital Foundation's Circle of Care, you make possible world-leading research and clinical work at BC Children's Hospital that would not exist otherwise. Through continuous commitment, compassion and generosity, our Circle of Care community has been supporting progress since 1995. Together we're transforming the future of care—and giving kids and families hope when they need it most.

We are on a quest to conquer childhood illnesses.

## WHAT IF YOU HELPED?

**The greatest benefit** of joining the Circle of Care is being a part of a community that plays a leading role in giving children every chance to thrive—and safeguarding the health of our future. You will also enjoy:

- > Invitations to our signature events and behind-the-scenes tours led by our clinicians and researchers
- > Recognition in the hospital and at events
- > The chance to connect with like-minded individuals who share a passion for child health

**“OUR ANNUAL CONTRIBUTION  
IS OUR FAMILY’S OPPORTUNITY  
TO EXPRESS THE GRATITUDE  
WE FEEL AS PART OF  
BC CHILDREN’S HOSPITAL.”**

**– DR. SHUBHAYAN SANATANI,  
HEAD, DIVISION OF CARDIOLOGY  
CIRCLE OF CARE MEMBER**

**Join the Circle of Care at BC Children’s Hospital Foundation today.**
