

# FESTIVAL *of* TREES

PRESENTED BY **Scotiabank®**

## SPONSORSHIP PROPOSAL 2022

GRAND OKANAGAN  
RESORT

# ABOUT BC CHILDREN'S HOSPITAL

BC Children's is the only hospital in the province devoted exclusively to the care of children.

This means that one million kids—including some of the sickest and most seriously injured—count on the hospital for specialized health care they often can't receive anywhere else. Last year, more than 99,000 patients visited the hospital, including its acute care centre, research institute, mental health facility and other facilities.

Festival of Trees provides your organization an opportunity to align with the Foundation brand, one of the top brands in BC. This document outlines the details and benefits of being a Festival of Trees sponsor.

**95%**

# FESTIVAL OF TREES OKANAGAN

**Festival of Trees Decorating + Kick Off Party** November 17, 2022 | Delta Grand Okanagan Resort

**Trees on Display:** November 18, 2022 to January 3, 2023 | Delta Grand Okanagan Resort

Festival of Trees is a local community event during the holiday season where local businesses and organizations along with members of the Kelowna community come together in support of BC Children's Hospital. Holiday trees are spruced up and on display at the Delta Grand Okanagan Resort and Mission Hill Family Estate Winery for the community to vote on and enjoy.

## CONNECTING OKANAGAN BUSINESSES & ORGANIZATIONS TO BC CHILDREN'S HOSPITAL

Festival of Trees has been a cherished community tradition in BC for over 30 years.

Over all these years, we've learned what the Festival of Trees means to our community, and our sponsors. We understand this is BC's most celebrated holiday tradition. We understand how important the Festival is to BC's kids. And we understand how important the brand awareness opportunities and team building experiences from participating in the Festival are to our local businesses and organizations.

**Participating in Festival of Trees is as easy as following these steps:**

# CONQUERING CHILDHOOD DIABETES

The numbers behind our quest

## Diabetes research at BC Children's Hospital: On the cusp of a cure

In BC alone, there are 2,500 children and youth who are currently living with diabetes and that number is growing. Diabetes is a serious, lifelong and often life-limiting disease.

Since 2002, BC Children's has been a national leader in pediatric diabetes research. Over 100 world-class researchers, trainees and staff are conducting ground-breaking cure-based diabetes research that is leading to new practices, innovative therapies and new hope. Outstanding clinicians and scientists work together to push the boundaries of what's possible.

***"We are poised for what could be the final sprint to find a cure. Our researchers have had amazing recent breakthroughs in stem cells, cell therapy and disease prediction, and have access to incredible technologies. I'm excited to lead this group of experts in our shared quest to lessen the burden of childhood diabetes by finding new ways to predict, prevent and cure this devastating disease."***

— DR. FRANCIS LYNN, HEAD, CANUCKS FOR KIDS FUND CHILDHOOD DIABETES LABORATORIES

Your generous support will help ensure that the 2,500 children in BC living with diabetes experience better health outcomes, which has the power to impact their entire lives. You will also help enable researchers to make transformative new discoveries on their quest toward a cure.

All funds raised from Festival of Trees will allow us to get closer than ever to a cure for Diabetes.

# THANK YOU FOR HELPING KIDS SHINE

We are grateful for your continued support of BC Children's Hospital and Festival of Trees Okanagan. Thanks to supporters like you, BC Children's Hospital is able to constantly push the boundaries of what's possible in children's health care and transform countless lives.

For your organization to fully benefit from this partnership and opportunity, please confirm your commitment by November 10, 2022 online at [www.bcchf.ca/fot](http://www.bcchf.ca/fot).
