

## PROPERTY

A property gift allows you to donate real estate, shares in privately-held corporations, royalty interests, works of art, jewelry, or other property to BC Children's Hospital Foundation and receive future or immediate tax benefits.

Prior to accepting the gift\* and issuing a receipt for income tax purposes, BC Children's Hospital Foundation may require a formal valuation by a qualified third-party appraiser to determine the fair market value of the property or shares.

### WAYS TO MAKE THIS DONATION

- > Give the property outright
- > Place it in trust
- > Retain the use of it for life
- > Gift it in Will

" I REALLY WANT TO SAY THANK YOU TO THE DONORS WHO HAVE PAID IT FORWARD, BECAUSE YOU'RE NOT JUST TREATING A DISEASE OR HEALING A SICK CHILD, YOU'RE HELPING SHAPE A FUTURE. "

– Dr. Jane Shin  
*Legacy Circle Member  
& Former Patient*

\*Please discuss your plans to donate these gifts with the Foundation, which will assess its ability to accept each of these gifts on a case-by-case basis."
