What is Bats for a Cause?

Bats for a Cause is inspired by the love of the game, the joy of connecting outside the office with colleagues and friends, and helping kids who are ill get better soon.

100% of funds raised goes to the BC Children's Hospital Foundation. Over the last 14 years Bats for a Cause has raised over \$1,028,517 to help kids in BC.

This is an amazingly fun wood bat tournament, (wood bats are supplied!) with a 6&4, big ball/small ball format. There are two levels of play, 'Fun' for teams with more slo-pitch experience and 'Super Fun' for teams with less to no slo-pitch experience.
